Please join us in making the 7th annual Howl-o-ween Canine Carnival the biggest and best yet! Our event will be held on Saturday, October 20 from 2-4 pm at the Longview Animal Care and Adoption Center. Once again, our event will be a collaboration between Longview Dog Park and Longview PAWS. This event is FREE to attendees and is fun for the whole family! We will feature a costume contest with multiple categories for owner and dog along with games and kids activities. **We would love to have your participation as a vendor or display booth at the event!** This is free to you, although we ask that you provide a door prize, of any amount, to give away during our event. Please provide a business card attached to your door prize so that the lucky winner will know who donated the item! You are responsible for your own tables, chairs, tent, and any other needed equipment or supplies.

Here is a little info on our Event partners:

Longview Dog Park, a non-profit 501c3, opened the Stragent Dog Park in November, 2011 which serves as one of the few off-leash fenced in facilities in East Texas for dogs to exercise and socialize. LDP continues to work to better the park and have added agility equipment and trees in the large dog park in 2014. Due to the flooding in early 2016, they repaired fencing in the general use dog park and in the large dog park. Presently, they are raising funds to add shade structures to large dog park. LDP is also working on raising funds for a bench and trash receptacle for the small dog park.

Longview PAWS (PETS ARE WORTH SAVING) is a non-profit 501c3 dedicated to supporting the animals at the Longview Animal Care and Adoption Center. PAWS creates fundraisers benefiting the shelter, coordinates, implements and staffs off-site adoption events thru their volunteer force, facilitates donation drives, recruits new supporters for the shelter's in-house volunteer program and raises awareness in our community on the shelter's immediate needs.
